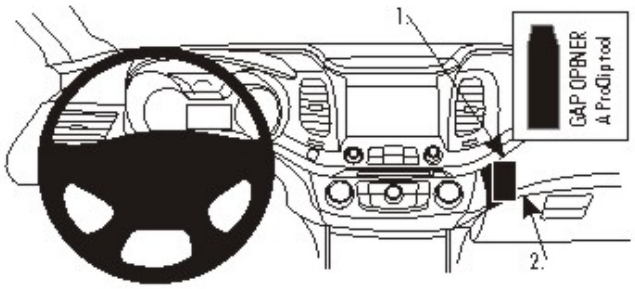
Product 854925



854925 ProClip

Angled mount

The ProClip is a mounting bracket for the vehicle's dashboard. Onto the ProClip you can install e.g. a holder for your mobile phone or PDA or a handsfree set etc. Safe and convenient -always within easy reach. The ProClip is car specific and easy to install. The installation is quick, no special tools or dismantle of the dashboard is required and it will not damage the interior of the vehicle. Made in black ABS plastic. Comes with detailed instructions.

EAN: 7320288549255

Item no 854925 fits:
Chevrolet Impala 13-15 (For USA)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read the instructions carefully and look at the pictures before attaching the ProClip.

1. Open the glove compartment door. Press the thin end of the enclosed gap opener into the gap between the padded part of the dashboard and the dashboard trim, to widen the gap.

2. Use the enclosed alcohol pad to clean the area where the ProClip is to be attached. Peel off the adhesive tape cover on the ProClip. Press the curved upper edge of the ProClip into the gap next to the gap opener. Then flip the ProClip downward so the curved edge on the upper part of the ProClip hooks into the seam and behind the trim. Pull out the gap opener.

3. Push on the lower part of the ProClip so it flexes forward and the angled lower edge hooks around the edge of the padded dashboard by the glove compartment door. Then close the glove compartment door.

4. The ProClip is in place.
